

Sharing HOPE Together

Your Annual Progress Report from HopeCo

Transformed Lives, Flourishing Communities

HopeCo

From the CEO:

What Your Faithful Partnership Has Accomplished

I am delighted to share with you HopeCo's Annual Progress Report! The last year has been an exciting time of rescuing, protecting, educating, and caring for vulnerable children and their families in East Africa. I'm pleased to share some of the specifics that help tell the story. In the past year, your gifts have helped HopeCo...

- Serve more than 475 children enrolled in our children's home, safe house, and schools
- Benefit thousands more people through medical programs and community outreach
- Offer protection and safety to children who have faced abuse and violence
- Expand our work to meet the needs of vulnerable girls and women in Kenya
- Support 33 Tanzanian students in school and college in the US
- Share the Good News of Jesus, encouraging children and families to give their lives to Him, and discipling those that make commitments

Together in 2021, we raised a total of \$1,202,361 to give hope and a future to vulnerable children who, without you, would remain trapped in cycles of poverty, abuse, and exploitation. And we are seeing remarkable changes happening in many of these kids' lives!

Thank you for your partnership in giving enduring **HOPE** to precious children and their families. I am grateful for you!

Your Support is Changing Lives – Like Emmanuel's!

Many children in East Africa live in crisis situations. Families are torn apart by violence and abuse. Many orphaned or abandoned children live on the streets. Thousands of girls end up in child marriages.

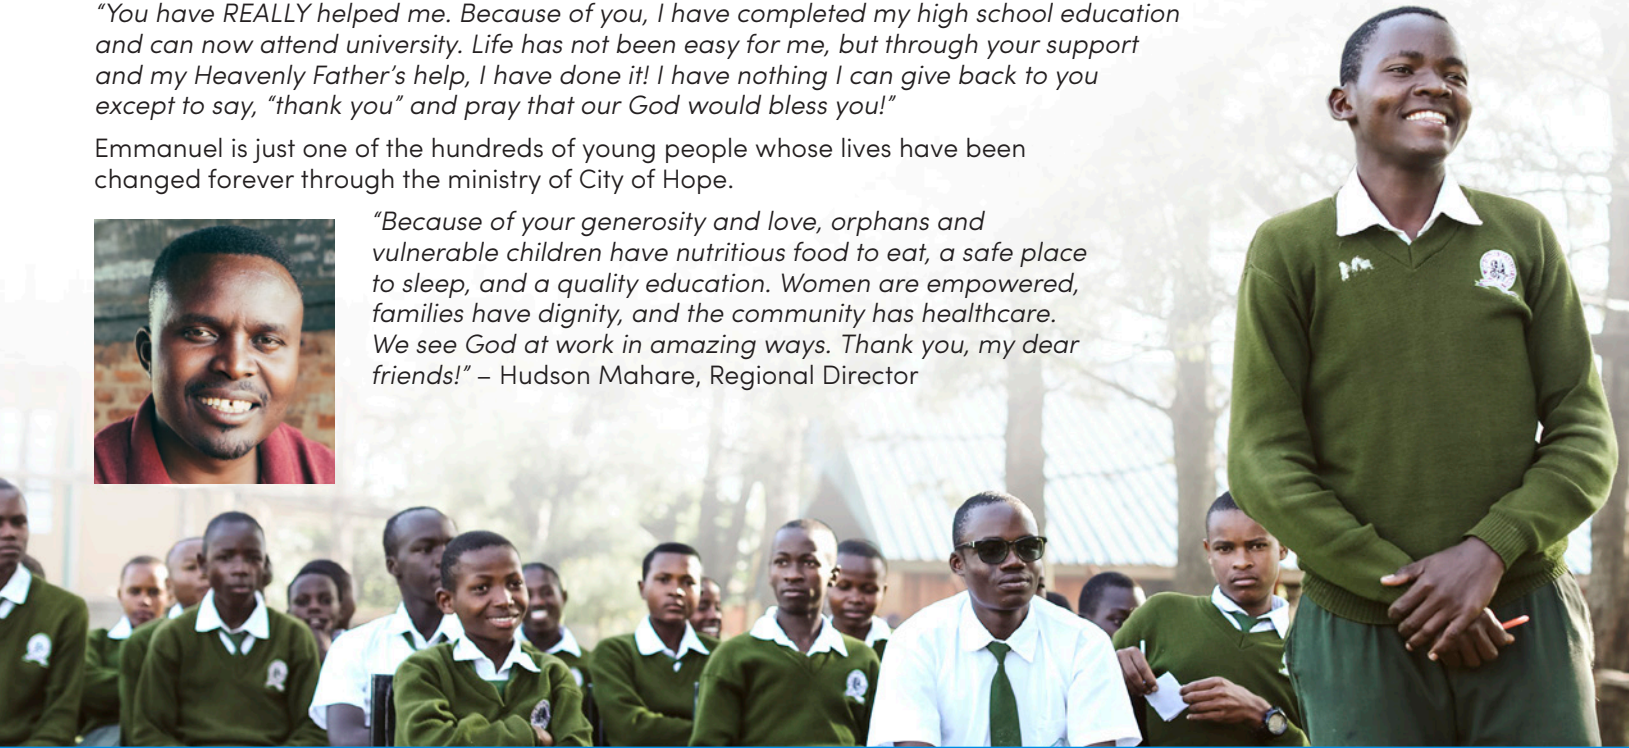

Because of your partnership, HopeCo's vision to change this picture is becoming a reality. And it's already happening in Emmanuel's life. Growing up in a broken family, every day brought misery and hopelessness. But thanks to your help, Emmanuel was rescued, cared for, and will enroll in college this year. He wants you to know:

"You have REALLY helped me. Because of you, I have completed my high school education and can now attend university. Life has not been easy for me, but through your support and my Heavenly Father's help, I have done it! I have nothing I can give back to you except to say, "thank you" and pray that our God would bless you!"

Emmanuel is just one of the hundreds of young people whose lives have been changed forever through the ministry of City of Hope.

"Because of your generosity and love, orphans and vulnerable children have nutritious food to eat, a safe place to sleep, and a quality education. Women are empowered, families have dignity, and the community has healthcare. We see God at work in amazing ways. Thank you, my dear friends!" – Hudson Mahare, Regional Director

Programs and Impact

Driven by our faith in Jesus, we provide quality holistic care that creates lasting transformation, enabling vulnerable children, their families, and communities to flourish. Below are some of the ways we are accomplishing this.

Rescue and Care for Vulnerable Children

City of Hope is home to 86 at-risk kids rescued from painful situations. Thanks to loving caregivers, these children can heal, grow, and dream of healthy futures. In 2022, we also opened a new safe house in Kenya.

Protecting Children from Abuse

Protecting at-risk children from early marriage, female genital mutilation, exploitation, and abuse is at the heart of our work. We provide protection, care to victims, and create lasting change by speaking out for the vulnerable in our communities.

Strengthening Families

In the past three years, 30 young women in Tanzania and Kenya received skills training empowering them to earn an income and provide for their families. Hundreds more women receive health education and practical guidance to help them care for their young children.

Overcoming Poverty Through Education

Each year, 450 children learn in our primary and secondary schools, which rank in the top three percent across Tanzania. We now have students studying for careers in education, the medical field, and business.

Offering Life-Saving Healthcare

Caring for young moms and their babies is our focus in the community. Last year, 208 healthy babies were delivered, hundreds of women received support to care for their children, and we served 5,307 people with health advice, medicines, and vaccinations.

Spiritual Nurture and Growth

This is the heart of all we do! We've witnessed hundreds of children and adults respond joyfully to Jesus as they learn together in daily devotions, church services, and through the witness of our staff. God's love is at work – every day!

Partnership Opportunities

Your partnership with HopeCo is an investment that will see children's lives transformed, families given lasting hope, and whole communities flourishing – now, and for decades to come.

Children in Tanzania are on a journey to brighter futures. How can you travel with them?

Pray

Pray first, pray often, pray always! Lift up our children and their families, our African leadership and staff, and the communities we serve. We see God answering prayers every day! *Let us know how we can pray for you, too!*

Support HopeCo children

- Enjoy the two-way blessing of **Child Sponsorship**, sending the message, "You are precious!" to a child who may have never heard those words before. Your gift of \$39 a month helps provide holistic care for them.
- Become a **Hope Ambassador** for just \$20 a month and join the rescue of frightened, abused young girls in Kenya.
- Create sustainable change through your favorite HopeCo ministry, by joining the **Hope Partner** team for \$100 a month!

Choose a special need or project

Our gift catalog offers practical ways to help our kids through basic essentials – like school uniforms, mosquito nets, and counseling – while soccer balls and games simply help make life fun! Contact us for other opportunities and projects too numerous to list – we're always ready to hear about your areas of interest.

Serve with us

Mission teams are heading back to City of Hope again – why not join them and lend your skills in a practical and meaningful way and encourage our children and staff at the same time. Longer-term service opportunities are also available. *Are you interested? Get in touch!*

Engage your church

We believe true partnership is all about creating healthy relationships and we love working with churches as we learn from one another and serve together. *Is your church looking for fresh and exciting ways to engage with mission work in Africa? We can help!*

Our Commitment To You

We are excited about the future and all that God has planned for the kids, families, and communities we serve! As we look ahead, we commit to you, our supporters, that we will:

- 1. Keep Christ at the heart of all we do.** It is Christ alone who changes lives forever!
- 2. Pursue excellence** in our programs, our communications, and in managing your gifts with integrity and transparency. The children and families we serve deserve nothing less. And, as our friends and partners, we owe this to you, too!
- 3. Grow our impact.** This means helping even more children and raising generations of young people who will become changemakers in their families, communities, and their nations.

Through your prayers, sponsoring children, giving financially, or serving on a mission team, you are part of seeing lives transformed and communities flourishing. And, by working together, we continue to create lasting change.

Thank you for caring!
